

CONFERENCE ON TRANSFER BETWEEN  
MATHEMATICS & INDUSTRY  
CTMI 2019

JULY 22-24, 2019  
SANTIAGO DE COMPOSTELA, SPAIN

## 1ST CONFERENCE ON TRANSFER BETWEEN MATHEMATICS & INDUSTRY

[CTMI 2019]

On the behalf of the Scientific and Organizing Committees, we invite you to attend and participate at the 1st Conference on Transfer between Mathematics & Industry [CTMI 2019] that will be held at Santiago de Compostela from 22nd to 24th July, 2019.

CTMI 2019 aims at the promotion and dissemination of the mathematical tools of Statistics & Big Data and MSO (Modelling, Simulation and Optimization) and their industrial applications, the promotion of new research lines oriented to the needs of the industry and in the society in general, the renewal of curricula in this field and at all educational levels, and the internationalization of the industry-academia collaboration. [See our goals \(click here\)](#)

CTMI 2019 will be held in collaboration between the [Technological Institute for Industrial Mathematics \(ITMATI\)](#) and the [Spanish Network for Mathematics & Industry \(math-in\)](#). The [European Service Network of Mathematics for Industry and Innovation \(EU-MATHS-IN\)](#) is a collaborator of this international event and supports this initiative. This Conference is a [satellite meeting of ICIAM 2019](#) that will be held the previous week at Valencia, Spain.

You can check the general program of the event in:

<http://www.itmati.com/ctmi2019/general-program>

### Submissions:

You are invited to participate in CTMI 2019 in the Communications section, and Success Stories posters section. Your contributions should be submitted through the web forms enabled for it:

- [Communications \(click here\)](#)
- [Success stories posters \(click here\)](#)

CTMI 2019

---

### **Awards**

You can participate at the first *math-In Awards for Outstanding PhD and MSc Thesis in Industrial Mathematics Open Call*, You can download the “CALL of AWARDS” here: [Awards \(PhD/MSc\)](#).

**Registration CTMI 2019** (from **February 26<sup>th</sup>** until **May 31<sup>st</sup> 2019**): [Registration form](#) (*click here*)

### **B2B matchmaking event:**

During the second day of the conference, 23rd July 2019, the [Enterprise Europe Network](#) will organize a matchmaking event with the aim of boosting the cooperation between the industry and academia. The matchmaking sessions will allow you to use the networking that this conference offers to meet potential cooperation partners for your innovation projects: <http://www.itmati.com/ctmi2019/matchmaking>

**B2B:** <https://mathin2019.b2match.io> (*you can register here*)

**Proceedings:** the Proceedings of CTMI 2019 will be published by Springer both in printed and e-book versions as part of the Springer series Sxl - Springer for Innovation: <https://www.springer.com/series/10062>

All information will be updated on CTMI 2019 website: <http://www.itmati.com/ctmi2019>

For all these reasons, we would like to have your presence at CTMI 2019, so that together make a success Conference, which help us to consolidate Mathematics as another branch on the scientific knowledge transfer to the companies.

We are looking forward to meeting you at Santiago de Compostela!

Best regards.

On the behalf of the Scientific and Organizing Committees
